BOOKEROO Sprint Planning Notes
Team: 3 (Friday 10:30am Tutorial)

Sprint: 1
Date: 30/07/21

Attended: Jeffrey, Ross, Allister, Mohammad
Scrum Master: Jeffrey
Product Owner: Dipto (Tutor)
Development team: Ross, Allister, Mohammad

1. Goal

   Our team would like to deliver a complete product backlog based on the product owners specifications, DODs, acceptance tests, and a wireframe for application.

2. Duration of the sprint

   2 weeks

3. What is the team's vision for this sprint?

   The vision is for the team to get an understanding of the project by contributing to the supporting documentation and UI design.
   The DODs and acceptance tests will allow the team to specify what exactly needs to be done, and how the product will behave.

   Lastly the wireframe will give the team a visible goal of the completed product.
